

Master the NCLEX-PN, 4th Edition
978-0-7689-2818-1

Please note the following updates and corrections for Master the NCLEX-PN, 4th Edition. The corrections indicated below are made when the book is reprinted, so the copy you have purchased may already incorporate some or all of these corrections.

BOOK PAGE	CORRECTIONS
Page 63	Question 5 should read: The nurse is administering an antibiotic to her pediatric client. She checks the client's wristband and verifies the correct medication by checking the physician's order, medication Kardex, and vial. Which of the following are <i>not</i> considered among the Five Rights of Medication Administration?
